National Weekend 2008

TR Register Hawke's Bay Nationals 2008

A venue has been found and a date set for the 2008 National Weekend.

This will be held over the weekend of Friday 7th March to Sunday 9th March 2008 based at Shoreline Motels, Napier, Hawke's Bay

The Hawke's Bay team of Regional Steward Bruce Hislop & his wife Trish, Graeme & Joy Thomas and Ron & Pam Robbie are working on a program to give you a full weekend of Tremendous TR experience in another of New Zealand's premier wine growing regions. Napier is also the home of some of New Zealand's finest Art Deco architecture and, like Nelson, enjoys some of this countries best weather. The date is a little later than for recent National Weekends but this has been done to avoid conflict with other local activities and should still be well and truly summer.

Planning is under way now to ensure that this will be a weekend to remember and it is expected that there will be two start points on Friday morning, most likely Palmerston North for those travelling from the south and Cambridge for those travelling from the north. This will provide for a full Friday program for almost everyone with lunch stops and other breaks on the way to Napier.

There will be a Friday evening program with an interesting twist amongst some fellow inhabitants of this planet. On Saturday a tour is "under construction" with a morning tea and lunch that will be followed by the traditional evening dinner. Sunday morning has a surprise or two in store leading up to a "Long Lunch" at a delightful Hawke's Bay winery ending with a final wrap up and farewell later in the afternoon

It is intended to promote this weekend overseas so there may be a few visitors from UK, Europe and other far places.

Watch future issues of TRansmission and the website www.trregister.co.nz for more news as it comes to hand.
