

TR REGISTER

National Weekend 2010 Waitomo, New Zealand

A brief view of what's planned for 2010
(Updated 31st May 2009)

Entry forms and further details will be posted out with TRansmission and updates will be posted at the Register Website www.trregister.org.nz from the end of February.

Thursday 25th February to Sunday 28th February 2010
(Note change to now start on Thursday evening)

Come and experience the charm, mysterious caverns and 'bright lights' of one of NZ's premier tourist spots, **Waitomo** – glowworms, underground caves and rivers, stalactites and stalagmites and numerous adventure experiences.

A wide range of accommodation is on offer to suit all tastes – from very nice budget units, camping facilities and cabins, B & B, to the elegant Caves Hotel, or for those wanting an unusual holiday experience some 'quirky' options at Woodlyn Park (voted one of the top 10 of the world's most unique motels) – more will be revealed....

We recommend you book your accommodation early to avoid disappointment - please say you are with the TR Register when booking.

For those travelling to the event, we hope to have some planned gathering points to join up with other TR Owners travelling to the Nationals.

Ongoing events will include TR Register Forums and the infamous 'Grove Box'.
